

## PROFESSIONAL DEVELOPMENT AND GROWTH

SELFIEforTEACHERS can help teachers design their **professional learning** and support the development of their digital competence.

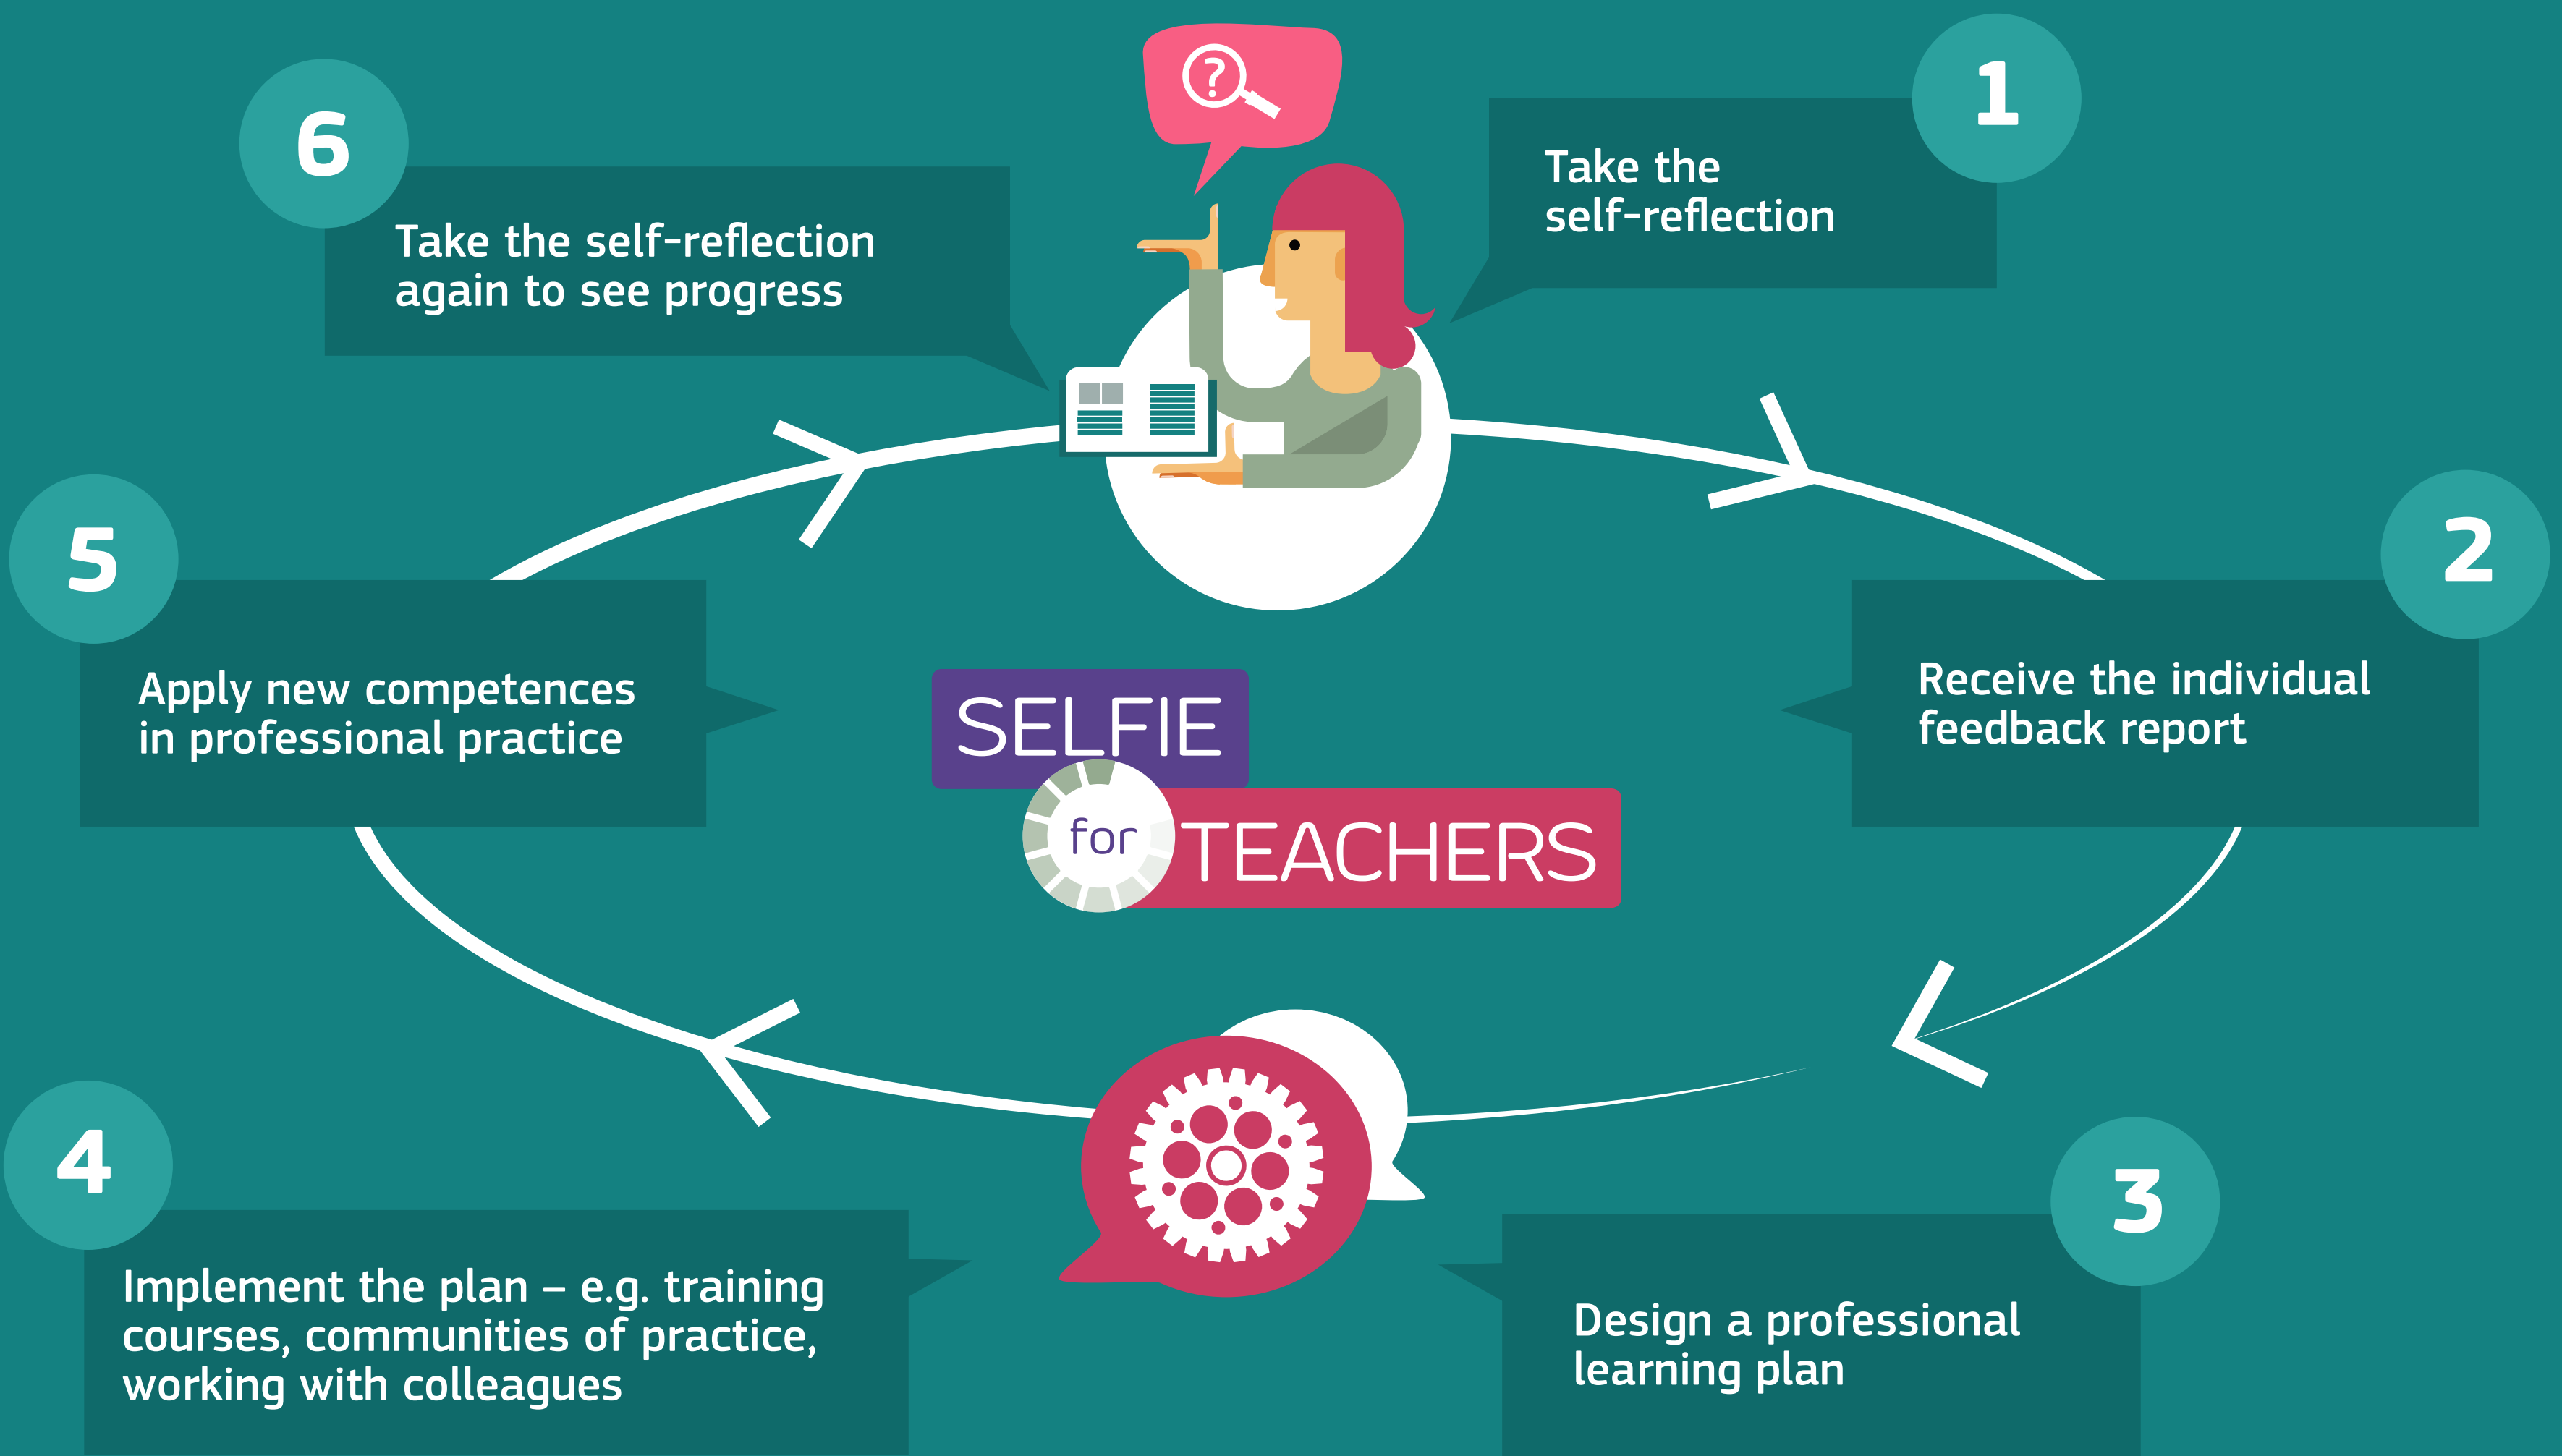

- Teachers can start their self-reflection at any point of time and use their results to identify their training needs
- Teachers can set up and/or take part in a self-reflection with a group of teachers

### SELFIEforTEACHERS

-  gives teachers the opportunity to reflect on their digital competence
-  facilitates teachers to identify their learning needs
-  empowers teachers to actively engage in the design of their professional learning on the use of digital technologies in teaching and their wider professional practice
-  supports teachers to collaborate and share experiences and practices

## CONTINUOUS PROFESSIONAL LEARNING PROCESS

**SELFIEforTEACHERS** is based on the European Framework for the Digital Competence of Educators (DigCompEdu) and is an initiative of the European Commission's Digital Education Action Plan (2021-2027).
