

NATIONAL FORUM

FOR THE ENHANCEMENT OF TEACHING
AND LEARNING IN HIGHER EDUCATION

www.teachingandlearning.ie

The National Forum for the Enhancement of Teaching and Learning in Higher Education is the national body in Ireland responsible for leading and advising on the enhancement of teaching and learning in Irish higher education.

Strategic Priorities

The professional development of all those who teach

Teaching and learning in a digital world

Teaching and learning enhancement within and across disciplines

Student success

Resources

These provide an evidence base to inform approaches and support decision making for teaching and learning enhancement in Ireland.

The National Forum has published a number of research studies, frameworks, reviews and consultation documents, all aimed to provide accurate, accessible evidence to inform decision-making at national and institutional levels.

Follow Us

The T&L National Forum provides funding for projects and initiatives that reflect and support the enhancement and transformation of teaching and learning at both a national and European level

DigitalEd

www.digitaled.ie

Atlantic Technological University, Galway City, Ireland were awarded a HEA Innovation and Transformation award to build digital capabilities in the region (2019- 2022).

The HEA project is called iNOTE and it provides opportunities to transform the higher education experience in ATU. The ATU Galway-Mayo Teaching and Learning Office is leading the development of DigitalEd.ie

What we do

DigitalEd.ie is a Digital Teaching and Learning education platform, providing access to the digital learning pathways and a suite of resources available to all staff.

The site provides a gateway to help CUA staff build digital capabilities and pedagogic expertise, in order to design, deliver and support flexible and online learning programmes.
